South Carolina Staffing Association Wins National Legislative Award

The South Carolina Association of Personnel and Staffing was honored at Staffing World® 2009, the annual convention and expo of the American Staffing Association, held Oct. 20–23 in Orlando. SCAPS received a Legislative Superior award for its outstanding legislative efforts during 2009.

SCAPS president John Byrnes, accepted the award from ASA chairman Bill Stoller, CSP, CPC, at a special award ceremony during the convention.

Legislative merit awards recognize state staffing associations that took positive and effective steps to make sure legislators understand how the staffing industry benefits the economy. These steps included face-to-face meetings, testimony at legislative hearings, letter-writing campaigns, state capitol hill days, and other political activities.
